

HYDRAFACIAL

pre-care

MERAKI SKIN CLINIC

The Hydrafacial treatment uses Vortex Fusion Technology, which works like a vacuum to penetrate deep into the pores.

3 Steps to the Best Skin of Your Life

- 1) **Cleanse:** Deeply cleanses and exfoliates with a gentle peel to uncover a new layer of skin.
- 2) **Extract:** Removes impurities from pores with painless, gentle suction.
- 3) **Hydrate:** Saturates the skin's surface with intense moisturizers and nourishing, personalized ingredients.

HOW TO PREPARE FOR YOUR TREATMENT

- Stop using retinol, acne medications such as benzoyl peroxide and salicylic acid, and exfoliating treatment such as glycolic acid or enzymes for 3 days before your treatment.
- Do not get any facial waxing or laser 3 days before your treatment.
- Shaving is not recommended on the day of treatment. If you choose to shave, please shave at least 3-4 hours prior to your treatment.
